2. Создайте Dialup подключение

Панель управления - Сетевые подключения - Создать новое подключение - Подключится к Интернет - Установить подключение в ручную

New Connection Wizard
Getting Ready The wizard is preparing to set up your Internet connection.
How do you want to connect to the Internet?
Choose from a list of Internet service providers (ISPs)
Set up my connection manually
For a dial-up connection, you will need your account name, password, and a phone number for your ISP. For a broadband account, you won't need a phone number.
○ Use the CD I got from an ISP
